Variance/Open Enrollment is requested for student to attend _____ High School for the school year _____.

I understand that if this variance is approved it will be provisional based upon the following agreed to conditions:

- Transportation for the student is the responsibility of the parent/legal guardian.
- The student must maintain acceptable standards of behavior, attendance, and academic effort, and abide by the rules and regulations of the receiving school.
- If the student fails to maintain one or more of the above standards or violates the rules and regulations, the principal, superintendent, or the superintendent's designee may cancel the variance to attend the requested school at the end of the current school year. Long-term suspension and/or expulsion may warrant immediate revocation of a variance.

In Addition

- If the reason for this request of variance is for curricular or activity offerings, the student must continue in and make acceptable progress in the program in order for the variance to remain in effect.
- I understand that my athletic eligibility may be affected if I transfer to another school.
- I certify that no person has used undue influence in an attempt to induce the student's enrollment for purposes of athletic competition.
- Open enrollment status is in effect for **one** school year only. Students must reapply each year on or before March 1.
