

FRESHMAN AZTEC CAMP

JUNE 1-29

MONDAY-THURSDAY

8:30am-12:00pm

Aztec Summer Camp is an opportunity for your incoming 9th grader to connect with and become familiar with Copper Canyon High School and community. Students will brush up on foundational skills in English and Math, that are critical for academic success in their first semester of high school, along with exploring many extra-curricular opportunities. These include exploring clubs and organizations, elective courses and activities that are available to CCHS students. Sessions will be led by our highly motivated Copper Canyon staff, allowing students to become familiar with adults on campus before they begin in August.
