**4. Celebrations**

**A. Recognize SRO and Partnership with the Tolleson Police Department**

Superintendent Gutierrez recognized the Tolleson Police Department School Resource Officer (SRO) and additional Police Department personnel for their support during incidents and appreciation for their partnership with TUHSD.

- Tolleson Police Department:
  - Chief Rudy Mendoza
  - TUHS SRO, Officer Chris Medaglia
  - Lieutenant Lee Garrett
  - Sergeant Gordon Camp

The mission of the SRO Program is to contribute to an orderly, purposeful atmosphere, which promotes the feeling of safety conducive to teaching and learning on school campuses. This is accomplished by assigning the same Police Officer to the same campus for an extended period of time. The SRO establishes trusting lines of communication with students, parents and staff. The SRO serves as a positive role model to instill good moral standards, good judgment, respect for others, and sincere concern for the school community.

Superintendent Gutierrez recognized the Tolleson Police Department for their support during incidents and appreciation for their partnership with our District:

- **TUHS SRO, Officer Chris Medaglia:**

The Tolleson Union High School community would like to thank SRO, Chris Medaglia, for his continued support of our campus safety this year. Officer Medaglia has been an instrumental part in keeping our students safe. On January 20<sup>th</sup> he played a key role in minimizing any issues on our campus when a student was found in possession of a weapon. Officer Medaglia is very much appreciated and Principal Mandurraga said that it is hard to imagine a TUHS campus without their trusted SRO.

- **Lieutenant Lee Garrett and Sergeant Gordon Camp:**

Superintendent Gutierrez thanked Chief Mendoza for his support and immediate response in sending Lieutenant Lee Garrett and Sergeant Gordon Camp when requested. Chief Mendoza’s support and their presence is another example of the strong partnership we share.

Once again, I would like to acknowledge and thank the Tolleson Police Department for their partnership and service to our students, staff, and community!

**B. Tolleson Union High School**

Superintendent Gutierrez celebrated Tolleson Union High School. Mr. Felipe Mandurraga, Principal, introduced a presentation highlighting academic achievement at Tolleson Union High School and recognized staff and students of the year.

**5. SUMMARY OF CURRENT EVENTS**

**Superintendent Gutierrez Comments**

- Recently, TUHSD FBLA’s participated in Regional Competitions. The Competitions were supposed to take place at the ASU West Campus but was changed to an online event. With support from administration at the schools, FBLA’s managed to compete from their campus so that students were able to use campus Wi-Fi, and at the same time, be in an environment with limited distractions.

Congratulations to FBLA students from Sierra Linda, West Point and Tolleson Union for placing in various categories. In April, the students will be competing at the FBLA State Leadership Conference in Tucson. Congratulations to all of our FBLA winners!

- Recently, the District's Public Relations Department received two awards from the Arizona School Public Relations Association.
  1. Award of Merit for the TUHSD Signing Day video, produced for the Human Resources Department.
  2. Award of Excellence for the District's Mask-Up Social Media campaign.

These awards were judged by school Public Relations experts in other states. We were 2-for-2 on nominations and awards received.

- Speaking about PR and Marketing, Mr. Joseph Ortiz continues to work with colleges and universities to provide paid internship opportunities for PR, Marketing and Journalism students. Last month, we had an intern from Grand Canyon University and this semester, we have two students from the Walter Cronkite School assisting for the second semester. Dominic Garramone and Genesis Alvarado-Ruiz will be graduating this May from ASU.
- Superintendent Gutierrez shared a video story from ABC 15 highlighting our own Dr. Ray Perkins, Assistant Principal Athletics, at TUHS. He is truly a (not so) Hidden Gem and we are proud to have him on our team!
- Those are just some of the highlights of our district since we last met. Thank you.

### **Governing Board Comments**

- Mr. Chapman expressed his appreciation and gratitude for students, staff, and parents pushing through this challenging time. He thanked everyone for the work being done to set our students up for success.
- Vice President Luna-Najera shared her gratitude to the community, students, and staff. Let's finish strong together.
- Mr. Del Palacio said that he and Mr. Chapman spent time at the State Capital with ASBA meeting with legislators. He appreciates that the legislature authorized the override on education spending cap regarding the Aggregate Expenditure Limit. However, there are many more bad bills in the works that could negatively impact our district and public education. He reviewed some of the bills that could be devastating to TUHSD and many public education districts across Arizona.
- President Villalon thanked everyone for all they do for our children and community.

### **6. Public Participation**

No public participation requests were received.

### **7. APPROVAL OF THE CONSENT AGENDA**
