5. SUMMARY OF CURRENT EVENTS

Superintendent Gutierrez Comments

- Congratulations to SkillsUSA Media/Photo students at La Joya Community High School for bringing home several medals two weekends ago. Approximately 30 students competed in the Region 5 SkillsUSA competition and the La Joya Lobo Media/Photo students placed in several Regional competitions securing a place at the State level competitions coming up in April. Students qualified or placed in areas such as photography, broadcasting, audio production and digital cinema. Congratulations to La Joya students.
- Last Friday morning at University High School, freshmen students, working with a local group called Trees Matter, planted trees on the Tolleson campus. Arborists were on-site to work with the students to educate them on the process of tree planting. Students also conducted a tree inventory on campus, including measuring tree heights and diameters. The City of Phoenix Department of Forestry and Fire Management coordinated this activity and spoke to the students about potential career paths in Forestry and Sustainability. Students staked and watered newly-planted trees. Students learned about tree selection, the impact of shade trees, and other sustainability concerns.
- A reminder that we will be on Spring Break next week. Schools will be closed, however the District Office will be open during regular business hours Monday through Thursday.
- Those are just some of the highlights of our district since we last met. Thank you.

Governing Board Comments

- Mr. Chapman thanked staff across the District for the great work they're doing this year. He thanked community members for supporting TUHSD; we want to be good stewards of their dollars.
- Mr. Villalon thanked staff for all they are doing for our students. Enjoy your well-deserved Spring Break!
- President Dr. Luna-Najera shared her appreciation of all teachers and staff for the good work they are doing. Enjoy your Spring Break and take some time for yourself!

6. Public Participation

Markus Cenicerros, a student at WPHS, representing himself, shared his support for approving the recommended policy revisions to IKFB (Graduation Exercises).

7. APPROVAL OF THE CONSENT AGENDA

Mr. Chapman moved to approve the Consent Agenda; seconded by Mr. Del Palacio. In a roll call vote, the motion carried 5-0.
