- Copper Canyon teachers and staff show off their dance moves!

This video was created by Michele Fernandez and Emily Junk of the CCHS staff and posted online earlier this week to show off the dance moves of the Aztec Nation staff and to let the students know that they are missed and to stay positive. The video received more than 3,000 views in the first 12 hours after being posted and the comments show that the students are missing their teachers as well. Enjoy!

- **Sierra Linda High School has a new Performing Arts Center (PAC)**

Congratulations to Sierra Linda High School on their newest addition to their campus. Sierra Linda has a brand new performing and fine arts center located near the south entrance of the school, near the gym. We want to thank our parents and school community for supporting the project by voting a resounding “yes” during the last bond election. The official opening of the PAC has been delayed due to the COVID-19 pandemic but once we are able to, we will have a grand celebration to highlight and showcase this wonderful new addition. We can’t wait for our students to perform in this brand new facility! Thank you to ADM Group and McCarthy for this truly state-of-the-art facility. We know we will get great use from this performing arts center for many years to come!
