

TOLLESON UNION HIGH SCHOOL DISTRICT #214

2026 BOND INFORMATION PROPOSED USE OF BOND PROCEEDS

■ School Based ■ Transportation Based ■ District Based

SCHOOL BASED - 97%

Approximately 97% of the Bond Proceeds will be used to maintain and improve the school sites of the Tolleson Union High School District. This includes replacing old/damaged air conditioning units, roofs, water heaters and other major equipment. This also includes providing furniture, technology and equipment for the schools.

TRANSPORTATION BASED - 2.2%

Approximately 2.2% of the Bond Proceeds will be used to purchase school buses, other pupil transportation vehicles and maintenance vehicles.

DISTRICT BASED - 0.8%

Bond processed will be used to maintain and improve the district office buildings. This includes providing furniture, technology and equipment for district based staff. This also includes purchasing software systems used to run district services such as payroll, human resources and business services.
